

Trafalgar School For Girls

Suggested Reading for Secondary I and II

The following is a list of books generated by the Trafalgar Library, students' suggestions, and the English Department. While the English Department does not require students to read certain books, we strongly encourage students to continue reading through the summer and to seek out books that both interest and challenge them!

Every spring the Library asks student from all grades to recommend their favourite books. Their recommendations can be found on the Trafalgar website, under the Library section, What Everyone is Reading : http://www.trafalgar.qc.ca/Everyone_Reading.asp
